ABOUT THE BIENNALE OF SYDNEY

*Art changes everything.
The way we think.
The way we feel.
The way we see the world.*

*Experience the
Biennale of Sydney.
For free.
For everyone.*

The Biennale of Sydney is one of the world's top biennials in the world, and a leader in this global art movement. Situated on the land and waters of the Gadigal people, the Biennale of Sydney is enriched by 60,000 years of this continuous living culture.

For over fifty years, the Biennale has commissioned more new work than any other institution in Australia, supporting the career of over 2,400 artists from more than 130 countries. It presents some of the world's most ambitious, thought-provoking contemporary art-bringing people together to share the stories of our interconnected global communities. With free admission. For everyone.

The 25th Biennale of Sydney (14 March – 14 June 2026) will be curated by Hoor Al Qasimi - one of the most influential voices in contemporary art. Together with the Biennale team, she is curating a program created with, by, and for communities - driving lasting cultural change through shared experience.
